Terms and conditions:

- Any procedure that may be necessary prior to starting the Orthodontic treatment (eg. extraction, filling, cleaning, surgical exposure) are out of the scope of the Orthodontic treatment and will be charged at actuals.
- Dental Scaling (cleaning) would be charged at AED 250.
- The removable retainer would be required after the treatment is completed which might incur an additional charge.
- The payment plan provided above is only to facilitate the patient in easy instalment and the treatment duration is an estimate. Should the treatment be completed earlier than expected, the balance payment would need to be made in line with (2) above.
- Similarly, if the treatment duration is extended, the payment due will only be as per actuals.
- Our Orthodontist recommends six-monthly teeth cleaning, more so during the period of treatment. The clinic will schedule you for the same and the same can be paid for through your dental Insurance/cash.
